Deputy J. Berlie offered a summary of the Sheriff's report for January 2023.

Deputy J. Berlie was present to discuss the possibility of Wood River installing a highway facing camera on the pedestrian bridge. The camera would only record vehicle identifying information such as license plates, make, model, color, broken taillights, etc. The device automatically blurs out any personal identifying information. Camera system is not used for traffic monitoring, only vehicle data that can assist the authorities in tracking specific vehicles. The Sheriff's Department is asking the City for help with the cost of the camera, they did receive a grant that covers some of the cost. The full price is \$2,600 per reader per year and a one-time fee of \$400 for initial setup. Rotter motioned to approve the Hall County Sheriff's Department to proceed with the camera installation. Motion seconded by Nielsen. Motion carried 3/0. Rennau & Rodriguez absent.

Veronica Kaufman and Matt Troyer-Miller presented Council with the Library Board's annual report.

Veronica Kaufman was present to discuss the Communications Committee's website host recommendation from a previous meeting. The Canadian company that is being recommended is Loop. If the City is not happy with the website hosting services after a year, the City would be able to switch providers and keep the website. Nielsen motioned to approve using Loop for the City's new website and app hosting services for a total amount of \$5,000.00. Motion seconded by Thompson. Motion carried 3/0. Rennau & Rodriguez absent.
